

# AGENDA

## SEPTEMBER 10

### PLENARY SESSION

MORNING  
PROGRAM

**Time:** 9:00 AM - 12:00 NN

**Venue:** FR 5, SMX Convention Center

- Citizen-Centric Smart Cities
- Data To Action : Technology for Disaster prediction
- IoT as an enabler for smart, connected, and sustainable buildings
- Predictive analytics
- Cloud Platform
- Automation and RPA for Crisis Adaptation

### BREAKOUT SESSION 1

AFTERNOON  
PROGRAM

**Time:** 1:00 - 4:00 PM

**Venue:** Meeting Rooms 2 & 3

- Digital Transformation for Resiliency
- Technology in Disaster Risk Reduction and Recovery for Businesses
- Enhancing Business Resilience Through LoRaWAN
- Smart Building Infrastructure
- Future Ready Communities
- Innovation in Disaster Management
- Use Cases Presentation : AI Predictive
- Cybersecurity and Digital Trust Technologies

### BREAKOUT SESSION 2

AFTERNOON  
PROGRAM

**Time:** 1:00 - 4:00 PM

**Venue:** Meeting Room 1

- Embracing Next-Generation Technologies
- How IoT is revolutionizing Disaster Prevention
- Applications of LoRaWAN - LPWAN in Emergency Situations
- Use Case : Lora-Based IoT System for Emergency Response
- Energy-Efficient IoT System Design
- How to build a sustainable IoT architecture with Azure IoT
- From Ground to Sky: Robotics and Drones in Disaster Recovery Missions
- Leveraging Cloud Computing for Business Continuity and Disaster Recovery
- Cybersecurity for Sustainable Business and Communities

### BREAKOUT SESSION 3\*

AFTERNOON  
PROGRAM

**Time:** 1:00 - 4:00 PM

**Venue:** FR 5, SMX Convention Center

- EdTech in Crisis: Leveraging Technology for Emergency Education Response
- Future-Proofing Education: Building Resilient and Adaptive Learning Systems
- EdTech 2030: Tools That Will Shape the Next Decade of Learning
- The Metaverse and Immersive Learning: AR/ VR Future Classroom
- From Chalkboards to Chatbots: The Evolution of Teaching in the Age of AI
- Cybersecurity in EdTech: Protecting Student Data

*\*ACADEME RATE ONLY APPLIES HERE*

# IoT Conference Philippines

Resilience for All:  
Future-Proofing  
Our Communities

SEPTEMBER 10-11, 2025

**SMX** SMX CONVENTION CENTER  
PASAY CITY, PHILIPPINES  
MANILA

## IOT CONFERENCE ATTENDEE GUIDE

**STEP 1 :** Log on to [www.iotconference.ph](http://www.iotconference.ph)

**STEP 2 :** Choose a day and BREAKOUT SESSION of your choice

**STEP 3 :** Choose the TICKET TYPE

**STEP 4 :** Click on the quantity

**STEP 5 :** Click BUY TICKETS to check out

### CONFERENCE FEE

#### PROFESSIONALS

**P1,700**  
ONE DAY PASS

# AGENDA

## SEPTEMBER 11

### PLENARY SESSION

MORNING  
PROGRAM

**Time:** 9:00 AM - 12:00 NN

**Venue:** FR 5, SMX Convention Center

- IoT : The Engine for Sustainable Future
- The Role of 5G and Next-Generation Networks
- The Internet of Food (IoF)
- Waste Management and Circular Economy
- AI for a Sustainable Future
- Generative AI and Impact in the Society

### BREAKOUT SESSION 1

AFTERNOON  
PROGRAM

**Time:** 1:00 - 4:00 PM

**Venue:** Meeting Rooms 2 & 3

- Importance of Urban Planning in Creating a Sustainable City
- Data Privacy and Ethics in Smart Urban Design
- The Power of Now: Big Data-Driven Decision-Making
- Green Tech in Urban Spaces
- The Role of Technology in Accelerating Green Jobs and the Circular Economy
- Financial Technology (FinTech) for Urban Resilience
- Sustainable Mobility and Smart Transportation

### BREAKOUT SESSION 2

AFTERNOON  
PROGRAM

**Time:** 1:00 - 4:00 PM

**Venue:** Meeting Room 1

- Internet by Design : Secure, Inclusive Resilient and Future-Ready
- Understanding the Roles of IPv6 and 5G in Enabling Smart Cities
- 5G and Edge Computing for Urban Applications
- Smart Disaster Response: AI's Role in Prediction, Rescue, and Optimization
- AI for Intelligent Infrastructure
- Space Technology for Climate Monitoring and Planetary Sustainability
- Future Cities and Next Generation Technology: Opportunities and Challenges

### BREAKOUT SESSION 3\*

AFTERNOON  
PROGRAM

**Time:** 1:00 - 4:00 PM

**Venue:** FR 5, SMX Convention Center

- Innovation Through Adversity
- Future of IoT in Education
- AI in Education: Promise, Practice, and Ethics
- From Access to Impact: Measuring What Matters in EdTech
- Human-Centered EdTech: Balancing Innovation with Empathy
- Education, Skills, and Workforce Transformation

**\*ACADEME RATE ONLY APPLIES HERE**
